**1<sup>st</sup> Place - \$50 Hawk Bucks Gift Certificate**  
**2<sup>nd</sup> Place - \$25 Hawk Bucks Gift Certificate**

### Requirements

- Must have the 4 required Hawk decals on race vehicle while on track. (1 on each side, 1 on front, and 1 on rear). Decals are available at the track from registration or tech.
- Must submit required “Hawk Bucks” award certificate along with print out of official results to authorized Hawk vendor when purchase is made. (Print out of results from Mylaps is acceptable).
- Please NOTE; essentially the only requirement to collect your “Hawk bucks” is that you had the required decals in place! That’s it!

### How to claim award

If you finish 1<sup>st</sup> or 2<sup>nd</sup> in any class, you **must** collect your “Hawk Bucks” award from the “Tech Area” immediately following your race. There, a NASA official will verify the decal placement on your vehicle, and then present you with your “Hawk Bucks” award. Failure to claim your award during the weekend’s activities will constitute forfeiture to your claim for said award(s). Awards **MUST** be claimed immediately following your race to allow for verification of the Hawk decals and no acceptations to this rule will be made.

### How to spend your “Hawk Bucks”

“Hawk Bucks” may be used at any of the authorized Hawk Performance vendors below toward the purchase of Hawk Performance Brake Pads. You can simply call to place your order, let them know you have “Hawk Bucks” you’d like to apply toward your purchase, and you’ll be given 2 options for completing your order. Option 1, pay in full via credit card to have your order shipped immediately, then send in your “Hawk Bucks” award (along with the copy of your official results) and your card will be credited the amount of your award. Option 2, send in your award ahead of time (along with the copy of your official results), and your order will be shipped when the award arrives. The choice is yours.

### Program notes

- “Hawk Bucks” may only be applied toward the published retail price for any Hawk Performance brake pads.
- “Hawk Bucks” may not be combined. Only one award may be used toward the purchase of each axle set of Hawk Performance brake pads. Recipient is responsible for final difference in cost and shipping.
