Exedy Contingency Details:

At all Regional NASA events (minus autocrosses), NASA will host the "Exedy 3 Pucks of Luck" prize drawing. To qualify for the prize, the car must have 3 Exedy Decals on the vehicle, one front, one on each side, and must be clearly visible. (i.e. decal color must contrast vehicle color) Verification of these decals will be confirmed at time of drawing. The decals are available from the event coordination staff or by calling 800-346-6091. If custom colored decals are to be designed by member, they must meet the minimum size requirements. (11" w X 3" h)

"Exedy 3 Pucks of Luck" prize drawing overview:

During the 2008 NASA season, at each event there will be 1 (one) \$75 pre-paid credit card offered as a prize. At the end of each of the events, there will be 3 random participant's names drawn in a 1st, 2nd & 3rd place structure. The 1st place winner will be asked to show his/her contingency decals on their vehicle. If the required decals are on the vehicle, then the 1st place winner receives the prize. If the 1st place winner doesn't have the required decals on their vehicle, then we move to the 2nd place winner and repeat the process down the line for all 3 names drawn, until the prize is awarded. Or in the case that all 3 winners fail to have the required decals, no prize will be awarded at that event.

Terms and Conditions are subject to change without notice. All sales are final.
