

## 2010 NASA Championships Miller Motorsports Park Camping/Parking/Garage FAQ's

### General Parking

**Q:** Where can I find a map of the paddock?

**A:** <http://www.nasaproring.com/tracks/miller/mmp-parking.pdf>

**Q:** Is open paddock parking free?

**A:** YES! The west section of the paddock area and *certain sections* of the east paddock are free to use. **Each entry may occupy a space up to 15ft wide x 70ft long.**

**Q:** Is there a certain direction I must park my vehicles?

**A:** **All vehicles and trailers must be parked in a North/South direction.**

**Q:** I have a large semi truck with multiple cars. What do you recommend?

**A:** Contact us for best suggestions and we can tailor to your needs.

**Q:** If I or my crew stays at the track without needing an RV electrical hookup, what are the fees?

**A:** **Any team that has members staying overnight at the track must purchase a \$100 camping pass.** The pass is good for the entire week (Mon-Sun). This fee covers security, trash pickup, custodial services and showers. We refer to this as "dry camping".

**Q:** How many vehicles may I bring into the paddock?

**A:** Each entry will receive (2) parking passes. One should be used for your main tow vehicle and the other should be used for passenger cars.

**Q:** Can I purchase extra vehicle paddock passes?

**A:** No other passes will be issued and additional cars must be parked in the area outside the front gate.

### Camping / RV Hookups

**Q:** How do I reserve and pay for an RV electrical parking space?

**A:** All RV electrical spaces are available on a first come, first served basis for \$225 at <http://www.drivenasa.com/events/1110> . The facility camping fee is included in that cost.

**Q:** If I or my crew stays at the track in an RV without electrical hookup, what are the fees?

**A:** Any team that is staying overnight at the track must purchase a \$100 camping. The pass is good for the entire week (Mon-Sun). This fee covers security, extra trash pickup, bathrooms and the shower facilities. We refer to this as "dry camping".

**Q:** How big are the RV electrical parking spaces?

**A:** Each space is 15ft x 90ft. This should be plenty of room for large toter-homes and still provide the ability to work out of the back. There is a limited mixture of 20A, 30A and 50A hookups.

**Q:** My truck, trailer, racecar, awning and mother-in-law quarters won't fit in one of the 15ft x 90ft RV hookup spaces and I really need the electrical hookup. What can I do?

**A:** Contact us for suggestions.

**Q:** Where can I dump/fill my RV?

**A:** There is a dump station on site. Portable dump and water fill service is also available, check with driver info at the track for contact information.

## Garages

**Q:** What garage options are available?

**A:** There are the normal "day" garages and luxury GP garages. You may occupy the garages starting Tuesday Sept 14<sup>th</sup>, 2010.

**Q:** How big are the "day" garages? What is included?

**A:** The "day" garages are 20ft x 25ft and will easily fit one car, all of your tools, spare tires and a handful of folding chairs. Shared electricity and air are available for your use. The cost for the week (Monday – Sunday) is \$395 for one space.

**Q:** Can I fit more than one car into a "day" garage?

**A:** Probably. Some teams have found a way to do this and there is no extra cost involved.

**Q:** How big are the GP Luxury garages? What is included?

**A:** The GP garages vary slightly in shape but will fit two cars plus equipment and still have room left for a buffet table! There are 24 total GP spots and they are located under the VIP suites on the front straight. Electricity, Air and TV (live T&S feeds, speed-channel, cartoons, soaps, etc) are available for your use. Semi-private bathrooms are provided. The cost for the entire week (Tuesday – Sunday) is \$895.

**Q:** I have a large semi truck with multiple cars. Which garage do you recommend?

**A:** Contact us for best suggestions and we can tailor to your needs.

**Q:** If I purchase a "day" garage, where do I park my support vehicle & trailer?

**A:** Parking space just across from your garage space is reserved for your use. The spot associated with each garage is approximately 20ft wide x 40ft deep.
